scott.lee.3898@berkeley.edu
408.499.4014

Education

University of California, Berkeley
B.A., Computer Science

Expected Graduation: 2019
GPA: N/A

Monta Vista High School

Graduation Date: June 2016
GPA: 3.96

Work Experience

THING CONTROL, INC. – MAY 2016 - AUGUST 2016

Project Intern

Created various projects applying new products built to revolutionize the manufacture and assembly of electronics.

THECODERSCHOOL – JANUARY 2016 - JUNE 2016

WWW.THECODERSCHOOL.COM

Coder Coach

Led group coding classes and semiprivate lessons in Scratch, Snap, Javascript, Python, and Java. Improved existing curriculum for group classes and pioneered new set of course materials for individual lessons.

ABROADLER – OCTOBER 2015 - JANUARY 2016

WWW.ABROADLER.COM

UI/UX Intern

Contributed to initial product development and brainstormed key functions of Abroadler. Designed and created landing page and other main segments of the website.

Projects

DELTA

DELTACALC.HEROKUAPP.COM/DEMO

Delta is a tool to help students study calculus. Calculus problems are randomly generated and presented to the student. Student answers are checked immediately, and hints and explanations are available for each problem. Links to other calculus resources are also included.

LOOPFRESH

LOOPFRESH.HEROKUAPP.COM

LoopFresh is a tool which notifies students via email or phone notification when teachers publish grades to School Loop. A grade spreadsheet is also included, allowing students to add assignments and see how their grade would be impacted.

Technical Skills

Programming: Python, Java, HTML5, CSS3, Javascript, jQuery, Bootstrap, React, Scheme

Design: Photoshop, Sketch, Microsoft Office, Keynote

Photography: DSLR Photography, Lightroom
